Spring '23 Grads!

Mesothelioma Resource Guide

In this issue: Alzheimer's OC Fall 2023 Coursees Get involved

Congratulations, Class of 2023!

Congratulations, Class of 2023!

Alzheimer's

ORANGE COUNTY

Our alumna, Jasmine Victor, MSG, has shared some educational resources with us from Alzheimer's Orange County, available for the public and family partners.

(Calendar is included on the next page.)

Feel free to reach out to her with questions, including how she was able to leverage her MSG education to achieve her career with Alzheimer's OC!

Jasmine Victor, MSG

Director of Education

Alzheimer's Orange County

MEMORY SUPPORT SERVICES

A Program of
Alzheimer's Orange County

Open to All Attendees

34th Annual Southern California Alzheimer's Disease Research Conference: Sex & Gender in Dementia Research & Care

August 25 | 8:00 am - 3:15 pm | To register: <https://conference.mind.uci.edu/>

Join UCI MIND, Alzheimer's Orange County, and the Alzheimer's Association for a hybrid event that brings together leading researchers and expert speakers to share cutting-edge research and insights on Alzheimer's disease and related dementias. Attend in-person or virtually with other healthcare providers, senior-serving professionals, people affected by dementia, students, and others to learn about sex and gender in dementia research and care.

Legal & Financial Considerations in Dementia Care (Virtual)

A diagnosis of dementia or concerns about memory loss makes planning for the future a priority. Learn about the steps involved in getting legal, financial, and future plans put in place. Presented by a Certified Elder Law Attorney.

July 25 | 12:00 pm - 1:30 pm | To register: bit.ly/LFJuly252023

Monthly Educational Webinars

2nd Tuesday of every month 11:30 am - 12:30 pm

No cost online webinars on topics related to senior health care and aging. Select professionals may receive free CE credit. Family/friend care partners and anyone in the community is welcome to join!

Managing Pain & Discomfort in Dementia Care

July 11 | bit.ly/41sf3WE

Managing Loss of Appetite in Older Adults

August 8 | bit.ly/WebinarAug2023

The Impact of Brain Injury

September 12 | bit.ly/WebinarSept2023
