

Curriculum Map Sociology BA
Approved April 2023

Key
I = Introduced
P = Practiced, Developed with Feedback
M = Mastered at a level appropriate for graduation

Student Learning Outcomes	
SLO 1:	Students will apply key sociological concepts.
SLO 2:	Students will compare, contrast, and critique major theoretical and epistemological orientations in sociology including functionalism, conflict, interactionism, and feminism.
SLO 3:	Students will demonstrate critical thinking from various sociological perspectives, such as reflecting on their social location, evaluating the implicit assumptions of everyday life, challenging commonsense understandings, and assessing the structure of an argument.
SLO 4:	Students will demonstrate clear and effective written and oral communication skills.
SLO 5:	Students will demonstrate knowledge of qualitative and quantitative research design and methods and evaluate their appropriate use.
SLO 6:	Students will use sociological knowledge and skills to engage with local and global communities for the purpose of social justice.
SLO 7:	Students will demonstrate a critical understanding of power, privilege, and oppression across a range of cultures, human experiences, and the intersections of social locations and historical experiences, including their own.

410 Theory	M	M	M	M			M

Bold indicates required courses.

Blank boxes: If a course or cluster of courses does not have an I, P, or M under a learning objective, that course is not required to (though certainly can) teach to that learning outcome.
