

FALL 2023 ASSESSMENT WORKSHOP

STUDENT LEARNING OUTCOMES

PART ONE (09/22) AND PART TWO (9/29)

EVALUATION RESULTS

This set of workshops intends to familiarize the campus community with the six-step process of assessment using student learning outcomes examples for anyone who is new to assessment or needs a refresher. The workshop format was modified into two parts based on feedback. Although both workshops covered overall assessment practices, part one focused on developing outcomes and an assessment plan, while part two emphasized assessment of outcomes, e.g., data collection and analysis, and improvement actions tied to results.

PART ONE (9/22) RESPONSE RATE

Attendees: 37 / Evaluations: 27 = Response Rate: 73%

RESULTS

100% of respondents “Agreed” or “Strongly Agreed” the workshop was effective in introducing them to the 6-Step Assessment Process, and 96% “Agreed” or “Strongly Agreed” agreed the workshop was effective in strengthening their knowledge of how to conduct assessment.

FREQUENCIES

	RESPONDENTS			
	Strongly Agree	Agree	Disagree	Strongly Disagree
1. This event was effective in introducing me to the 6-Step Assessment Process.	81%	19%	0%	0%
2. This event was effective in strengthening my knowledge of how to conduct assessment.	77%	19%	4%	0%

Responses to the question below has been reviewed. However, results will not be published.
