Re: Response to Dean's Review of PPR Report of MS CS

The recommendation from Dean Unnikrishnan describes the improvements the department has undertaken to address the concerns raised by the PPR Review Team. These improvements are already in place and have allowed the department to adequately address the recommendations from the Review Team.

We appreciate the support from the Dean's Office. We have been working diligently in new faculty recruitment and class scheduling to facilitate timely graduation of our graduate students. We are making progress in both areas.
