Access to CHRS Recruiting

The CHRS Recruiting system is a single system that serves all CSU campuses. Your campus user name and password identifies you as an internal CSU user. Only internal users can access the system.

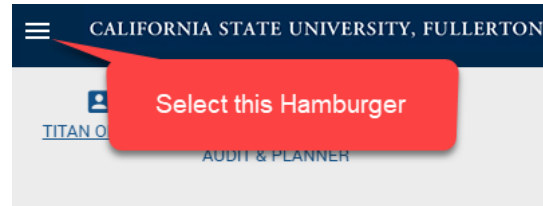

SSO stands for single sign-on, also known as our campus portal. With SSO enabled, you do not need to log in to separate websites because you have already logged in to the CSU intranet.

Depending on your user role, there are fields shown throughout this guide that are accessible for your review. If you need to change your user role or access in CHRS Recruiting, the IT HR Access Request Form (ARF) must be completed. The Department IT Coordinator (DITC) will typically complete the IT HR ARF for new employees. Current employees who need to change their access must also submit an IT HR ARF; check with your department for guidance.

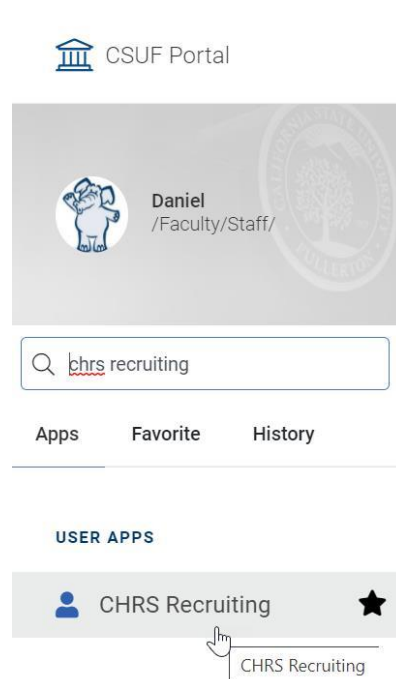

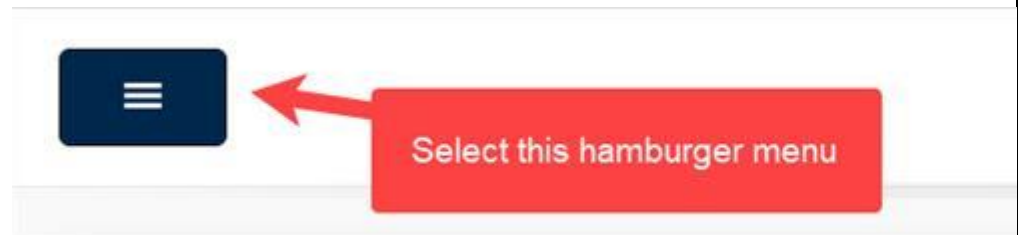

<p>1. Open a web browser (Google Chrome is recommended)</p> <p><u>IMPORTANT:</u> POP-UP Blocker needs to be turned-off</p>	
<p>2. Log into the Portal and enter your username and password</p>	

3. Search for the CHRS Recruiting App

Current Portal (before 10/4/2021):

New Portal (as of 10/4/2021):

Applicant Review

The applicant review is where a Hiring Manager or Department Representative will review the applicant's resume and application information. The first disposition in a recruitment where department users will be able to view candidates is the "Closing Notice Preview." This preview is intended for the department to determine if the posting should be closed as it was scheduled, or if an extension of the posting is required.

Interviews

Once you have selected a candidate for either phone/video interview or on-campus interview, you must keep the process step consistent by extending the same selection to all candidates of a given position. If there are any inconsistencies, the recruiter will notify you.

1. Selection Criteria Outcome

After viewing an applicant, you can choose to disposition them to a new status. You may move them into:

- “Invite for Phone/Video Interview”
- “Invite for On-Campus Interview”

NOTE: If you are choosing to NOT move the candidate forward, keep them in the “Department Hiring Pool” status until the position is filled. When filled, HRDI will notify departments to move all remaining candidates into the “Not Selected” disposition.

After the Confirmed Hire

Once the hire is confirmed, all other applicants must then be dispositioned accordingly by the hiring department. This step ensures that all candidates receive appropriate communication regarding their application.

1. Dispositioning candidates after a selection is made

For the candidates that remain in the "Department Hiring Pool" status, choose "Department Not Selected."

- A "Select a reason" dropdown menu will appear. Select "Other candidates more suitable"
- For other dispositions such as "Phone Interview" or "On-Campus Interview," select the reason they were not moved forward accordingly (i.e. No show, Position Cancelled, Other candidates more suitable, etc.)

NOTE: Once put into a disposition, the applicant will receive an automated email notification of the decision. IF these email notifications were selected in error, please contact your recruiter immediately.

The screenshot shows a web interface for managing applicants. At the top, there is a notification: "You have pending changes. Click Submit to save changes." with a "Submit" button. Below this is a table of applicants. The table has columns for "Select", "Applicant name", "Phone", "Date submitted", "Current application status", "Overall Rating", and "Reviewed".

Select	Applicant name	Phone	Date submitted	Current application status	Overall Rating	Reviewed
