RECITAL SCHEDULING FORM FOR STAFF ACCOMPANISTS

Student recitalists are responsible for providing accompanists at their expense. Any student choosing to use a staff accompanist must confirm that accompanist's availability at least six weeks prior to the recital. If a staff accompanist is not available, a list of other accompanists may be provided by the accompanist. Do not schedule a recital until you have discussed the date with both your accompanist and your teacher.

The following School of Music fees are:

- 398 recital: \$375 per person
- 498 recital: \$400.00 per person
- 597 recital: \$425.00 per person

The fees are per person regardless of whether the recital is a solo or joint recital.

All fees must be paid in full by the recital date. Rehearsals need to be conducted during the accompanist's regularly scheduled hours. The dress rehearsal should not exceed 60 minutes for a 398 recital or 90 minutes for a 498 and 597 recital. After confirming your recital with the staff accompanist please fill in the information required below. The form will be forwarded to the College of the Arts Dean's office.
