

**Commission on Teacher Credentialing
Common Standards Preliminary Report of Findings**

Institution	California State University Fullerton
Date of Review	October 8-11, 2023

Please prepare an addendum that addresses those areas below that were deemed to require more information by reviewers during the Common Standards review and where specific evidence is requested for the site visit. Brief narrative (less than 75 words) is allowable but response must include links to evidence that address the issue identified by the reviewers.

Posting the Addendum

Information from the addendum must be posted on the institution’s accreditation website at least 60 days before the site visit, along with the original Common Standards document and feedback from the program reviewers. Please do not resubmit your response the items below, responses need only be added to your institution’s accreditation website in preparation for the 2023-24 Site Visit.

Standards Found to be Preliminarily Aligned	1, 3, 4, 5
--	------------

Standards Requiring More Information	More Information Needed: Part(s) of the standards for which more information is needed	Additional Specific Evidence Needed for the Site Visit	Response from Program (Addendum)
Standard 1: Institutional Infrastructure to Support Educator Preparation	The reviewers would like to appreciate the research foundation for the conceptual framework and its ongoing evolution.	We noted the “References” sub-heading is missing any content.	Common Standards website has been updated and now includes a link to the references .
Standard 2: Candidate Recruitment and Support	Confirm all programs have evidence regarding process in meeting competency and performance expectations, and that it is consistently used to guide advisement and candidate support efforts. Added clarification is needed related to the	Documentation outlining advisement and candidate support processes.	As per CTC guidelines, no additional evidence is required in common standards. Additional evidence has been provided by the necessary

	defined process that is in place to identify and support candidates who need additional assistance to meet competencies.		<p>programs within standard 4 of their program addendum responses.</p> <p>MSCP Addendum (see standard 4) SSCP Addendum (see standard 4) BiAuth Addendum (see standard 4)</p>
Standard 3: Course of Study, Fieldwork, and Clinical Practice.		Preliminarily aligned but reviewers would like added clarification from the School Nurse program related to both the qualifications and selection of site-based supervision.	
Standard 4: Continuous Improvement		Preliminarily aligned but reviewers would like to see how the COE coordinates with the College of Health and Human Development and the College of Communications to monitor student progress. Also reviewers would like to know how those colleges solicit input from community stakeholders and employers.	
Standard 5: Program Impact
