Your Credential Document

SB 2042 Preliminary Multiple Subject Teaching Credential includes: ELAM, SDAIE and ELD within content being taught.

If asked for additional documents indicating these requirements, reiterate that you hold an **SB 2042** Credential (or attach an additional copy of your credential).

ELAM: English Learner Authorization for Multiple Subject

ELD: English Language Development

SDAIE: Specially Designed Academic Instruction in English

Requirements to Clear

Three Options to Clear:

1. Teach at a school that does offers Induction
 - Approximately 2 years long
 - All requirements/information obtained through the district
2. Teach at a school that does not offer Induction
 - Complete a Teacher Induction Program at a University
 - CSUF offers this program, more information found at:
<http://extension.fullerton.edu/professionaldevelopment/teacher-induction>
3. National Board Certification
 - More information found at: <http://www.nbpts.org/>

You must be teaching to work toward clearing your credential!

Appeal for Extension

If your credential expires before you clear it:

1. Don't panic! Once you hold a preliminary credential, you do not need to repeat the credential program.
2. Appeal for an Extension to the CTC. More information found at: <http://www.ctc.ca.gov/credentials/leaflets/al3.pdf>.
 - Keep in mind that you can file an extension once in your lifetime so it's unofficially recommended that you wait to do this until you are hired for a teaching position. You can still apply for teaching positions even with an expired credential.
 - Keep in mind you will never "lose" your preliminary credential even though it may expire & you will not be able to teach on it, it will always be part of your record/file with the CTC.
