SCCUR 2023 Abstract

Reviewers

The SCCUR 2023 Planning Committee gratefully acknowledges the important role played by the abstract reviewers listed below.

- Steve Adolph – Harvey Mudd College
- Alfonso Agnew – California State University, Fullerton
- Arthur Annin – University of Nebraska
- Juliann Annin – University of Nebraska
- Scott Annin – California State University, Fullerton
- Vivianne Asturizaga – California State University, Fullerton
- Hakob Avetisyan – California State University, Fullerton
- Perla Ayala – California State University, Long Beach
- Sam Behseta – California State University, Fullerton
- Doina Bein – California State University, Fullerton
- Nicole Bonsor – California State University, Fullerton
- Jay Brewster – Pepperdine University
- Ryan Cammarota – California State University, Fullerton
- Nathalie Carrick – California State University, Fullerton
- Riley Casper – California State University, Fullerton
- Greg Childers – California State University, Fullerton
- Lupe Diaz-Lara – California State University, Fullerton
- Winny Dong – California State Polytechnic University, Pomona
- Bridget Druken – California State University, Fullerton
- Stella Erbes – Pepperdine University
- Pratanu Ghosh – California State University, Fullerton
- Adam Glessner – California State University, Fullerton
- Megan Granquist – University of La Verne
- Erin Gratz – Orange Coast College
- Manji Guanwardana – Oak Ridge Institute of Science
- Christopher Hallenbrook – California State University, Dominguez Hills
- Bill Hoese – California State University, Fullerton
- Bingling Huang – California State University, Fullerton
- Peter Hung – The Aerospace Corporation
- Mark Hutchins – University of Nebraska
- Cherie Ichinose – California State University, Fullerton
- Sagil James – California State University, Fullerton
- Jessica Jaynes – California State University, Fullerton
- April Karlinsky – California State University, San Bernardino
Kristin Kurianski – California State University, Fullerton
Reka Lassu – Pepperdine University
Simeng Li – California State Polytechnic Institute, Pomona
Joyce Lin – California State University, Fullerton
Rakesh Mahto – California State University, Fullerton
Zoe Marr – California State Polytechnic Institute, Pomona
Armando Martinez-Cruz – California State University, Fullerton
Sophia Mun – California Baptist University
Huda Munjy – California State University, Fullerton
Andrew Loc Nguyen – California State University, Fullerton
Maduka Ogba – Chapman University
Haley O'Steen – Pepperdine University
Anand Panangadan – California State University, Fullerton
Claudia Pineda – California State University, Fullerton
Angel Pineda – Manhattan College
Alexandria Pipovaroff – Occidental College
Valerie Poynor – California State University, Fullerton
Nina Robson – California State University, Fullerton
Shoo Seto – California State University, Fullerton
Bogdan Suceava – California State University, Fullerton
Becky Talyn – California State University, San Bernardino
Binod Tiwari – California State University, Fullerton
Marcelo Tolmasky – California State University, Fullerton
Teru Toyokawa – California State University, San Marcos
Helen Trejo – California State Polytechnic University, Pomona
Jacqueline Trischman – California State University, San Marcos
Anael Verdugo – California State University, Fullerton
Sean Walker – California State University, Fullerton
Xenia Wirth – California State University, Fullerton
