

## **Careers of CSUF Geography Graduates**

The list below provides a sample of job titles of alumni of the Department of Geography at Cal State Fullerton. This list is meant to both acquaint Geography majors and those contemplating a degree in Geography with the range of employment opportunities that exist after graduation from Cal State Fullerton. The information below is periodically updated as we hear from our alumni. Most of the individuals on this list earned a B.A. in Geography, a few have earned both a B. A. and an M.A. in Geography, and fewer still, an M.A. only in Geography here at Cal State Fullerton.
