- (B) Licensee agrees to recognize the importance of maintaining the student housing facilities as an environment that is conducive for fellow students to study, live and sleep. While in the student housing facilities, Licensee agrees to adhere to established quiet and courtesy hours and not to disturb this environment during said hours. During posted quiet hours, it is each resident's responsibility to be certain that no noise can be heard outside of their room or apartment or in neighboring rooms, halls, shared common spaces, or outside of the building. Residents are expected to monitor their sound levels at all times.
- (C) The University will consider Licensees requests for reasonable accommodations in accordance with Federal and State laws. Licensees seeking additional support services (such as emotional support animals) will be referred to Disability Support Services and requests will be approved based on recommendations from the Director of Disability Support Services.

IV. MAINTENANCE OF PREMISES

- (A) The University shall provide Licensee with the furnishings and Licensee will maintain them in the condition noted on the Room Condition Report (RCR). Licensee agrees to give reasonable care to their living unit and its furnishings and to make payment for any damage or loss promptly upon demand by the University. Licensee shall vacate the living unit in good condition, normal and reasonable wear and tear excluded. In the event Licensee fails to maintain the living unit in good order and repair, Licensee shall pay the University the reasonable costs incurred in returning the living unit to a condition of good order and repair. As used herein, "good condition" shall refer to a living unit that functions properly, with minimal damage and insignificant signs of wear and tear from consistent use.
- (B) Licensee shall make no alteration to the student housing facilities without the written permission of the University. Licensees who have made alterations to the premises will incur all fees associated with the cost of returning the premises to their original condition as determined by the University.

HOUSING AND RESIDENTIAL ENGAGEMENT

- (C) Licensee shall not possess any highly flammable material, firearms, ammunition, fireworks, explosives, dangerous weapons, or any other material or instrument, which, in the opinion of University authorities, poses an unreasonable risk of damage or injury.
- (D) Licensee shall not abandon property/possessions for disposal by the University. Licensees who abandon property or possessions on the premises will incur all fees associated with the cost of disposal. Unclaimed personal property will be disposed of in accordance with Title 5 (5 CCR 42375) and California Civil Code Section 2080.8.

V. CANCELLATION OF STUDENT HOUSING LICENSE AGREEMENT (BY LICENSEE)

- (A) Licensee must request to cancel a reservation for a bed space and meal plan by giving written notice to the University.
- (B) Cancellation requests PRIOR to Monday, July 13, 2020 must be submitted in writing to the Housing Office and are refundable less a non-refundable \$50 service fee.
- (C) Cancellation requests AFTER Monday, July 13, 2020:
 - (1) Licensee may request a cancellation after Monday, July 13, 2020, but the University, **in its sole discretion**, will decide whether to grant or deny the request to vacate.
 - (2) In addition to the possible causes for revocation as listed in Article VI, Licensee may request a cancellation for the following reasons, with verification: (1) Student-initiated, non-disciplinary end of student status; or (2) Marriage. Cancellations approved with verification for any other reason may be considered only if the University will not incur financial loss.
- (D) Licensee is financially responsible for all fees through the date of cancellation approval by the University. Additional fees may be assessed if the University is unable to replace Licensee without incurring financial loss.
- (E) Cancellation requests by minors: In the event that Licensee is under the age of 18 at the time the Student Housing License Agreement is executed, the request for cancellation of the Student Housing License Agreement must be accompanied by the written consent of a parent or legal guardian.

VI. REVOCATION OF STUDENT HOUSING LICENSE AGREEMENT (BY UNIVERSITY)

- (A) The University may revoke this Student Housing License Agreement for the following reasons:
 - (1) Disciplinary action taken against Licensee pursuant to Sections 41301-41304 of Article 2 of Subchapter 4 of Chapter 1 of Division 5 of Title 5 of the California Code of Regulations.
 - (2) Licensee's failure to maintain status as a student at the University for a minimum of twelve (12) semester units if an undergraduate student, or six (6) semester units if a graduate student. Exception requests must be submitted in writing to University Housing for approval (or contact the Disability Support Services, if disability related) if Licensee falls below these minimums. Dropping below the minimum unit requirement is not a ground for cancellation under section V. above and will not release the Licensee from the obligation to pay any housing-related fees. The University may, at its sole option and discretion, revoke this License in accordance with the provisions herein if the Licensee fails to enroll in the minimum units, or drops below the minimum unit requirement after the beginning of the academic fee period.
 - (3) Licensee's breach of any of the terms or conditions of this Student Housing License Agreement.
 - (4) Administrative necessity of the University.
 - (5) Any student behavior that interferes with, disrupts, or obstructs the mission and operations of Housing and Residential Engagement.
- (B) The University shall provide Licensee not less than three (3) days' notice in the event of an occurrence described above, except in cases of emergency.
- (C) Revocation of this Student Housing License Agreement shall not release Licensee from paying any obligation due to the University for the *Period of Occupancy*. Licensee is financially responsible for all fees through the *Period of Occupancy*.
- (D) In the event Licensee is placed on interim suspension from the University during the *Period of Occupancy* defined in Section II (D), Licensee shall be ineligible to live in Student Housing through the duration of the interim suspension period or as indicated by formal notice from Housing and Residential Engagement, and shall not be entitled to any refund or reimbursement of housing fees paid.

VII. ABANDONMENT OR CANCELLATION BY LICENSEE

- (A) Except as permitted in Section V, cancellation of this Student Housing License Agreement or abandonment of the premises by Licensee shall not release Licensee from paying any obligation due to the University for so long as the University does not terminate Licensee's right to an assigned bed space.
- (B) In the event of cancellation or abandonment, Licensee shall have the right to be released from this Student Housing License Agreement if a suitable replacement is found by the University, pursuant to campus regulations and with consent of the University, which consent shall not unreasonably be withheld.
- (C) Failure to comply with outlined Student Housing instructions regarding vacating the premises could result in a fee, in accordance with the fee schedule. Abandoned premises shall have secondary priority for replacement after students who completed a request for Student Housing License Agreement cancellation. See Article IV, Section (D) for information regarding abandoned property.

VIII. VACATING STUDENT HOUSING FACILITIES

- (A) Licensee shall vacate the student housing facilities upon the expiration of the *Period of Occupancy* or upon revocation of this Student Housing License Agreement, whichever occurs first. When vacating the student housing facility, the Licensee shall remove all personal property, leave the assigned bed space in good condition as defined in Article IV, Section (A) and return bedroom keys (if applicable) and mailbox keys as instructed to avoid replacement key fees of \$50 per key not returned. If the Licensee fails to complete a proper checkout, the University may assess an improper checkout fee of \$120.

IX. DESTRUCTION OR UNAVAILABILITY

- (A) In the event that a bed space is destroyed or becomes temporarily or permanently unavailable as the result of conditions not reasonably foreseen at the time this Student Housing License Agreement is made, Licensee shall be entitled to a full refund prior to occupancy or to a prorated refund of any fees applicable to periods after Licensee was required to vacate, or relocation to a different bed space if available.
- (1) Such conditions include but are not limited to damage caused by floods, slides, fire, earthquake, other natural disasters; vandalism; public health emergency; civil disorder; compliance with state or federal law; unanticipated interruption of basic services because of labor strife; or lack of availability due to construction delays.

X. REFUNDS

- (A) In instances of requests for cancellation, revocation, or vacating, Licensee shall owe fees regardless of whether Licensee ever assumed actual occupancy and regardless of whether a licensee who has assumed actual occupancy moves out of the facility prior to the designated period of obligation. The campus shall refund all money collected in excess of such obligation as soon as reasonably possible.

XI. TREATMENT OF INDEBTEDNESS

- (A) Failure of Licensee to satisfy the financial obligations in accordance with the fee schedule of this Student Housing License Agreement may result in the following:
- (1) Imposition of a late fee, in accordance with the fee schedule (Article XX, Section (A)).
 - (2) Revocation of the Student Housing License Agreement and eviction from the premises.
 - (3) Withholding of University services pursuant to Section 42380 of Article 11 of Subchapter 5 of Chapter 1 of Division 5 of Title 5 of the California Code of Regulations. This includes:
 - a. Withholding official transcripts.
 - b. Denial of registration.
 - c. Offset of paychecks, loans, grants or scholarships payable through the University, and/or income tax refunds or rebates.
 - d. Legal action to collect unpaid obligations.

XII. NON-WAIVER

- (A) The waiver of any breach of a term or condition of this Student Housing License Agreement shall not constitute a waiver of any subsequent breach.

XIII. TAXABLE POSSESSORY INTEREST

- (A) It is the position of the University that this Student Housing License Agreement does not create a taxable possessory interest in real property. However, pursuant to Revenue and Taxation Code 107.6, Licensee is hereby notified that a taxing authority may take a contrary view and may assess Licensee property taxes based on Licensee's interest in this Student Housing License Agreement.

XIV. SOLICITATION/COMMERCIAL USE

- (A) No advertising, selling, or commercial solicitation is permitted in the student housing facilities without prior approval of the Director, Housing and Residential Engagement. The student housing facilities cannot be used by Licensee to house or host commercial interests or to conduct business endeavors.

XV. TITANCARD

- (A) Licensee must present their student University ID card ("TitanCard") or government issued picture identification when requested for access to the housing facilities and for use of a Meal Plan. Presenting fabricated, falsified, or misrepresentative ID; permitting others to use any licensee's TitanCard for the purpose of improperly gaining access to Residence Halls, Apartments, Meal Plans, use of equipment, or any other University service or facility is prohibited.

XVI. RIGHT OF ENTRY

- (A) The University shall have the right to enter the premises occupied by Licensee for the purposes of emergency, health, safety, maintenance, occupancy checks or for any other lawful purpose. The University shall exercise these rights reasonably and with respect for Licensee's right to be free from unreasonable searches and intrusions into study or privacy. The University will lock all bedroom and exterior doors upon exiting the premises. The University shall not be responsible for, nor waive, lockout fees assessed to Licensee.
- (B) The University will attempt to provide advance notice of entry when possible, but is not required to do so.

XVII. ENERGY/UTILITIES

- (A) The cost of electricity, gas, water, sewer, trash, heat and air conditioning utilities are included under the terms of the Student Housing License Agreement.

XVIII. INSURANCE:

- (A) The University has no insurance to cover personal or property damage of Licensee. Therefore, the University highly recommends that Licensee obtain insurance such as a renter's policy.
- (B) During the period covered by this Student Housing License Agreement, Licensee is encouraged to obtain health and accident insurance, on either an individual or group basis.

XIX. IMMUNIZATIONS

- (A) Immunizations offer safe and effective protection from vaccine-preventable diseases. The United States is experiencing re-emergence of these diseases, in part due to factors such as un-immunized and under-immunized persons and global travel. The American College Health Association (ACHA) strongly supports the use of vaccines to protect the health of our individual students and our campus communities.
- (B) The University recommends that you make sure that you are up-to-date on all immunizations including the following: measles, mumps, rubella; tetanus, diphtheria, pertussis; varicella; and hepatitis B. In addition, students living in on-campus housing are recommended to get the meningococcal conjugate vaccine. For additional information, please visit the Center for Disease Control and Prevention's website, www.cdc.gov or contact the Student Health and Counseling Center.

XX. AGREEMENT AND FEES:

- (A) Housing payments are handled by Student Business Services. Payments made will prioritize Tuition and Fees unless there is a past-due balance. Payments cannot be allocated toward a specific charge such as Housing fees.
- (B) All payments shall be due on or before the date specified by the Student Housing License Agreement Installment Schedule without demand or billing from the Housing Office. In order for Licensee to take occupancy according to the start date specified on the Student Housing License Agreement, all tuition and fee payments along with the first installment housing payment must be made. For periods of occupancy within any license period, but less than the complete license period, the student housing fees shall be prorated on a nightly basis. Each late payment made will be assessed a \$30 late fee, regardless of pending financial aid disbursements.
- (C) The University reserves the right to revise room and board rates and any or all other charges upward or downward upon thirty (30) days written notice.
- (D) Initial Payment: A signed copy of the Student Housing License Agreement must accompany the initial payment toward license fees. The initial payment totaling \$350 is applied toward the total cost of the Student Housing License Agreement as detailed in Article XXII. A \$50 service fee is non-refundable even if the license agreement is cancelled.

This Addendum to the Student Housing License Agreement presents additional Terms and Conditions to which a Cal State Fullerton student agrees to abide in order to live in on-campus student housing during the 2020-2021 academic year. This Addendum is incorporated into and supplements the California State University, Fullerton Student Housing License Agreement. Except as stated in this Addendum, it does not alter any conditions or obligations set forth in the Student Housing License Agreement. This Addendum is effective for the full duration of the 2020-21 academic year or for such portion of the academic year as may remain at the time the Student Housing License Agreement is signed. In addition to the Student Housing License Agreement, the following will apply:

- A. The Coronavirus (COVID-19) pandemic is a worldwide risk to human health. COVID-19 is a highly contagious disease which can spread easily and exponentially, and lead to severe illness or death. According to various public health organizations, persons of all ages are at risk.
- B. An inherent risk of exposure to COVID-19 exists in any shared or public space where people are present, including on-campus student housing. Cal State Fullerton has taken and will continue to take various measures to address the health and safety of students in on-campus student housing. **However, those measures cannot completely eliminate the risk of exposure. Students who have elected to reside in on-campus student housing will face a risk of exposure.** To minimize this risk, I understand, acknowledge, confirm and/or agree to the following:
- Although Cal State Fullerton has taken and will continue to take various measures to protect against exposure, those measures will not eliminate all risk of exposure to COVID-19, and there will remain a risk of exposure.
 - Upon occupancy, I will truthfully and accurately inform the University whether, to the best of my knowledge, I am currently infected with or believe I have been exposed to COVID-19.
 - Upon occupancy, I will truthfully and accurately inform the University whether I am experiencing any symptoms associated with COVID-19. According to the [Center for Disease Control \(CDC\)](#), symptoms include, but are not limited to, a loss of taste or smell, fever, severe headaches, severe fatigue or body/muscle aches, unusual gastrointestinal distress, or signs of respiratory illness such as dry cough, shortness of breath or difficulty breathing.
 - Upon occupancy, I will truthfully and accurately inform the University whether, to the best of my knowledge, I have been in close contact within the last 14 days with an individual infected with COVID-19. I understand that "close contact" means within about 6 feet.
 - If at any time during my occupancy I experience any symptom(s) associated with COVID-19, or believe I may have come into close contact with an individual infected with COVID-19, I agree immediately to notify Cal State Fullerton Health Services or designated Housing and Residential Engagement staff members.
 - I understand and agree that the exclusive purpose for which Cal State Fullerton is providing on-campus student housing is to enable residents to complete and/or participate in a campus educational program.
 - I understand and agree to comply with all federal, state and local directives, orders or mandates related to COVID-19, as well as any Cal State Fullerton directives or policies related to COVID-19.
 - I understand and acknowledge that open communal spaces such as lounges and study spaces may be closed for use as a result of COVID-19.

- I acknowledge and agree to abide by all Housing and Residential Engagement policies pertaining to COVID-19.

Right of Entry

- I understand and agree that residents must maintain the appropriate social distance and wear the appropriate personal protective equipment (i.e. face masks), and that I may be required to vacate my room/apartment when entry is required by a Housing and Residential Engagement representative during health and safety inspections, custodial services, maintenance repairs, or any other inspection, in order to reduce the risk of exposure to COVID-19 or other infectious diseases.

Confirmed Positive or Exposure to COVID-19 Guidelines

- I agree to notify Cal State Fullerton Health Services or designated Housing and Residential Engagement staff members if I become sick with COVID-19 symptoms, test positive for COVID-19, or become exposed to someone with COVID-19 symptoms or a confirmed or suspected case.
- In the event I test positive for COVID-19 during my occupancy, I agree to be moved into a self-quarantine unit as directed by Cal State Fullerton Health Services or designated Housing and Residential Engagement staff members.
- In the event I am exposed to COVID-19 during my occupancy, I agree to self-isolate within my room/apartment, and to follow all directives of Cal State Fullerton Health Services or designated Housing and Residential Engagement staff members.
- I acknowledge and agree that I will not attend in-person classes or other on-campus facilities, or to end any self-isolation or self-quarantine, until I meet the CDC's [criteria to discontinue isolation](#).
