Medical Insurance

AIFS provides each student with a group insurance policy issued by Ace American Insurance Company. The policy provides two distinct types of coverage:

1. Before the program begins, AIFS will refund fees paid by students unable to participate on the program because of covered injury, illness or quarantine in a travel area. However, a fee is retained from the amount paid which includes a \$150 processing fee and \$125 insurance premium.
2. Once the program has begun, the plan covers the cost of medical treatment abroad, up to a maximum of \$100,000 per sickness or accident and with a daily hospital charge limit of \$300. There is a \$50 deductible per incident for medical claims against this policy.

AND SOCIAL SCIENCES

These two categories of insurance are mutually exclusive. That is, the policy does not cover medical expenses before the program begins, nor does it refund any portion of the AIFS program fees once the program has begun.

The insurance also covers costs associated with changing the return flight if a student is unable to complete the program due to accident, illness or quarantine in a travel area. It offers 24-hour travel assistance in case of an emergency, legal assistance, medical transportation and emergency cash transfer in case of theft or loss. Full details of the coverage are available at www.aifspartnerships.com/insurance_summer.pdf.

Optional medical insurance upgrade (\$65) and personal effects insurance (\$90)

A medical insurance upgrade provides a maximum \$250,000 per sickness or accident with a daily hospital charge of \$300 (\$50 deductible for each accident or illness). Optional personal effects insurance covers loss or theft up to \$1,000, subject to a maximum \$100 per item (\$500 for electronic devices) and a deductible of \$100 per incident. Students are advised to arrange additional insurance for special items. Expensive or irreplaceable items should be left at home.

Program Fee Refund Policy

All notifications of withdrawal must be made in writing via fax or certified mail to: Registrar, Customized, Faculty-Led Programs, AIFS Study Abroad, 1 High Ridge Park, Stamford, CT 06905. The fax number is 203-399-5597. Postmark date or date of fax transmission is considered date of withdrawal. All withdrawal statements must be signed by the applicant, or they will not be processed.

If a student withdraws on or before **Friday, March 8, 2019**, a full refund will be made less \$150 plus any non-refundable deposits paid either by the student or by AIFS on the student's behalf.

If a student withdraws after **Friday, March 8, 2019**, but on or before **Tuesday, April 9, 2019**, for any reason except medical covered by the AIFS Fees Refund and Medical Insurance Policy, the \$450 deposit is forfeited, along with any non-refundable deposits paid either by the student or by AIFS on the student's behalf.

If a student is forced to withdraw from the program because of covered medical reasons after final fees have been paid but before departure, a refund will be made through the Fees Refund and Medical Insurance Policy, less the \$150 processing fee and the \$125 insurance premium. The policy requires written proof of medical reasons provided by your physician.

Students withdrawing voluntarily for any reason after **Tuesday, April 9, 2019**, including withdrawals because of medical reasons not covered under the medical refund policy, receive no refund of fees paid unless they are able to provide a qualified replacement. In this case, they receive a full refund of all payments made less the \$150 processing fee and any non-refundable deposits. Replacement students must pay in full at the time of application. Flights cannot be arranged for replacement students applying after **Friday, March 8, 2019**. Once the program has started, students withdrawing receive no refund under any circumstances. This refund policy is necessary because the booking of facilities in South Africa requires substantial non-refundable payments and commitments by AIFS in advance.

South Africa

South Africa is a country rich in history and culture. For decades, its government had a policy of racial segregation known as 'apartheid' (or apartness). Today, South Africa is known as the 'rainbow nation' and it serves as a model for cultural diversity and tolerance. Students will have time to explore the greater Cape Town area on their own and enjoy all the region has to offer: hiking, biking, zip lining, diving, wine tasting, shopping, museums and more. Through the experience, students will develop an understanding of South African history, culture and (wild) life.
