

Evil, Evil Woman: What It Was Like to Be the Only Female Witness in the Dover Intelligent Design Trial

A lecture featuring:
Dr. Barbara Forrest
Monday, March 3, 2008
7:00pm TSU Pavilion C

Dr. Forrest provides a detailed look at her work in the Kitzmiller vs. Dover School Board intelligent design trial as well as an overview of the history of the intelligent design anti-evolution movement.

Barbara Forrest is a Professor of Philosophy in the Department of History and Political Science at Southeastern Louisiana University and a member of the National Center for Science Education's board of directors. With Paul Gross, she is coauthor of *Creationism's Trojan Horse: The Wedge of Intelligent Design*.

No charge for admission.

Sponsored by the Liberal Studies Student Association and the Department of Women's Studies
