## SCHOOLS FIRST CENTER FOR CREATIVITY & CRITICAL THINKING INQUIRY AND INNOVATION PROFESSIONAL LEARNING SERIES FOR TEACHERS

The College of Education at California State University, Fullerton and The SchoolsFirst Federal Credit Union Center for Creativity and Critical Thinking are pleased to offer this unique professional learning experience led by teams of teachers and experts in the field. The College of Education is committed to professional development of innovative and transformative educators who advance just, equitable, and inclusive education. As part of that mission we are pleased to offer [The Inquiry and Innovation Professional Learning Series](#), free to TK-12 classroom teachers. Teachers may select from a series of six workshops, and are encouraged to register for multiple sessions.

- Workshops are held online through Google Classroom and Zoom, and/or in person.
- Teachers receive free online resources and materials to support classroom implementation.
- All sessions include planning time for teachers to develop curriculum or action steps for their own classroom.
