July 12, 13, 14, 16 Expand Your Artistic Talents

July is dedicated to expanding your fine art talents. Join us for a variety of sessions that focus on Multimedia Art journaling for self-care and recovery. All sessions are in person and on the CSUF campus. You are welcome to attend all the sessions, or just a few. All participants will receive free teaching materials.

Technology Rich Sessions Offered Throughout the Summer

July 29, 2022 from 9:00 am - 12:00 pm

Promoting Student Growth with Hyper Rubrics

Presenters: Dr. Hoffman and Teacher Christianne Sainz

Create clarity of expectations for student projects. This workshop will help educators differentiate instruction through individualized rubrics that serve as a guide for student learning. Students can self-assess to work towards subject mastery. [Register today!](#)

Saturday, July 9, 2022, 9:00 AM - 11:00 AM, in person, on CSUF campus

Presenters: Teacher Christy Jimenez and Teacher Amanda Pace

Introduction to Virtual Reality for Teachers

Are you curious about virtual reality resources? Would you like to explore existing free resources that are available to support teaching and learning? If yes, then this introductory

workshop is right for you. Join us and use the Oculus headsets to virtually travel, discuss new lesson plan ideas, and find out more about virtual reality resources. (Maximum 20 participants) Each participant will receive free materials to use in their classroom.

Saturday, July 9, 2022, 9:00 AM - 11:00 AM, in person, on CSUF campus

Podcast Like a Pro: Students and Educators

Presenters: Dr. Malia Hoffman and Teacher Christianne Sainz

When individuals know their work will be made public, they create a higher quality product. Learn how to write a script, produce, record, edit, publish, and create authenticity. All this can be done with no studio or extra equipment. (Maximum 20 participants) Each participant will receive free materials to use in their classroom.
