Important Note: Carefully read and follow all steps listed below. Students are required to **print out** forms and then sign (in ink only) where indicated. **No typed-out signatures will be accepted.** Due to lengthy processing times, students must now **SCAN** all required pages into **one PDF document** (NO jpeg files and NO separate files please). *Helpful Hint:* If you have jpegs or image files, paste the images into a Word document and then click "save PDF." A variety of smartphone scanner apps are freely available to automatically convert images to PDFs (TinyScanner, Genius Scan, Fast Scanner, CamScanner, etc.)

Email your completed document packet (as 1 PDF), including this Check-Off sheet, to nursingdocs@fullerton.edu

Finally, **KEEP ALL OF YOUR ORIGINAL PRINTED DOCUMENTS**, as many facilities will collect these from you the first week.

Step 4: Health Status Information Form

Step 5: KP Learn Certificates

If you are a current/previous Kaiser Permanente employee, volunteer, or have rotated through a KP facility in a previous rotation and have been issued an NUID, please provide your NUID number:
If you forgot your NUID, please let us know as Kaiser will need to verify your information in order to reactivate your NUID.

All students placed at a Kaiser Permanente site for the first time will be issued an **NUID** number (sent to you via email by the SON). Your NUID is similar to an SSN# as it is yours for life. **You will use the same number again if you already have a KP-issued NUID.** Once you receive confirmation from the CSUF Document Team via email that your NUID has been activated, you will be able to access the online KP Learn training to complete your required certificates for the current calendar year. Your NUID email will also contain a separate deadline to submit your certificates.

Submit a copy of your KP Learn Completed Transcript as a single file to nursingdocs@fullerton.edu no later than the deadline given to you by the Clinical Placement/Document Team. Kaiser will not accept individual certificates.
