 Our entire campus is tobacco-free. Smoking is not allowed.

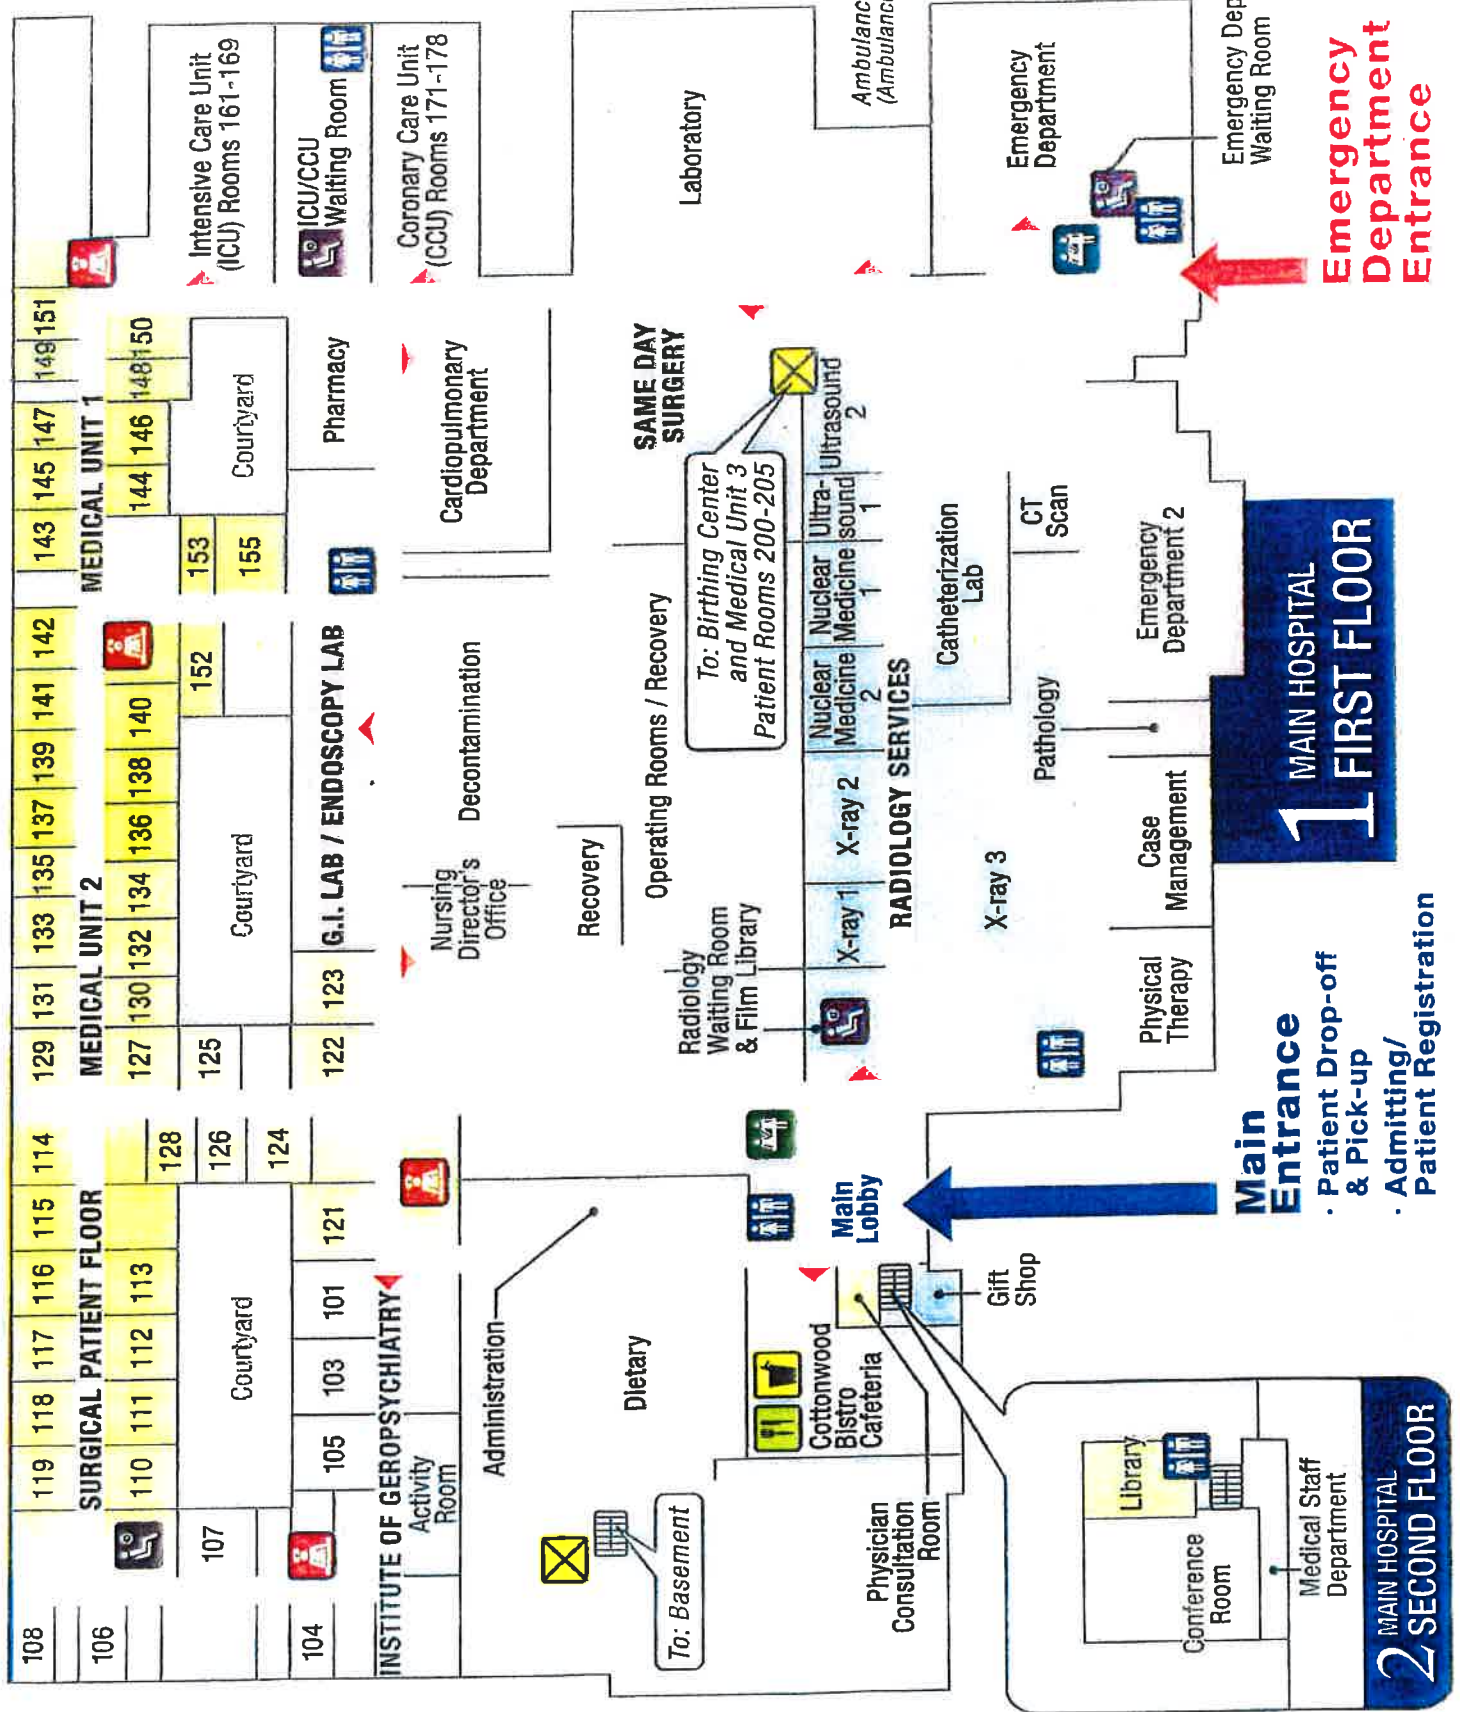

Visitor Information

Parking for disabled visitors is located throughout the campus. Train service for visitors is available from the parking lots to and from the hospital and all Los Alamitos Medical Center campus medical office buildings. Surface parking lots and the parking structure are available for patients and visitors. A day pass is available to go in and out — ask for one when you pay the daily rate and want to return on the same day. Multiple use passes are also available. ADA parking is available on the first level of the parking structure.

Patient Drop-off And Pick-up is located off of Cherry Street (see map above). Parking for the Emergency Department is located off of Katella Avenue, directly in front of the Emergency Department entrance.
