

California State University, Fullerton  
Land Acknowledgement  
Finalized: Fall 2022

We collectively acknowledge that Cal State Fullerton is located on traditional, ancestral, and contemporary lands of Indigenous people. Before this land was colonized it was cared for and called home by the Tongva and Acjachemen Peoples. We recognize that this land holds great historical, spiritual, and personal significance for its original inhabitants.

To ensure that we are truly catalyzing change rooted in this social justice principle, Cal State Fullerton recognizes and continually support and advocate for the sovereignty of the Native nations in this territory and beyond. By offering this land acknowledgment, we affirm tribal sovereignty and our commitment to the tribes that historically called this land home.
